AMY C. WANINGER TO PRESENT IN SOCIETY FOR DIVERSITY WEBINAR SERIES

Waninger to speak on diversity in professional networking

Indianapolis, IN, April 2, 2018– The Society for Diversity has invited Amy C. Waninger to present in their monthly webinar series. The series covers a wide variety of topics related to diversity and inclusion and is free for members. Nonmembers may attend individual webinars for a fee. Waninger’s session, *Network Beyond Bias*, will help participants expand their professional networks with a focus on diversity and inclusion.

Individuals often don't recognize their default behaviors, nor are they aware of who is missing from their professional networks. And while many people are interested in the diversity & inclusion initiatives underway in their companies and industries, they may not understand the role they can play. I look forward to helping Diversity and Inclusion professionals find opportunities for outreach to other disciplines!

– Amy C. Waninger, Founder & CEO, Lead at Any Level LLC

The webinar will be broadcast live on May 9, 2018, from 1:00 – 2:00 pm Eastern Time. A recording of the event will be available. Individuals can register for the live event or access the recorded session on the Society for Diversity’s website, <http://www.societyfordiversity.org/webinars/>.
