## AMY C. WANINGER TO PRESENT AT TSAE NEW IDEAS ANNUAL CONFERENCE

Waninger to present session at annual meeting of association professionals

*Dallas, TX, May 13, 2018*– The Texas Society of Association Executives (TSAE) has invited Amy C. Waninger to present a deep-dive educational session at the 2018 TSAE New Ideas Annual Conference. The conference will be held September 16-18, 2018 in Dallas, Texas. Registration for the conference is available at <https://www.tsae.org/annual-conference/annual-conference/registration>. Organizers expect more than 550 association professionals and industry partners to attend the event. Waninger’s 75-minute workshop will help participants respond to and plan for changes they may face in their careers or industries.

*So many industries are facing unprecedented rates of change. While there is a wealth of information about how to drive change in organizations, there is little offered to help people consume change effectively. My workshop will help participants develop a repeatable framework for understanding, responding to, and making peace with the changes they face in their careers. – Amy C.
