October 4, 2018

Lead at Any Level LLC is proud to announce its recent certification as an LGBT Business Enterprise (LGBTBE®) through the National LGBT Chamber of Commerce (NGLCC) Supplier Diversity Initiative. The NGLCC is the nation's exclusive certifying body for LGBT owned and operated businesses.

"America's top corporations are eager to do business with the LGBT community," said Justin G. Nelson, President and Co-Founder of the NGLCC, "which is reflected in the ever-growing list of NGLCC corporate partners."

With this official certification, the NGLCC, its organizational allies, and corporate partners now nationally recognize Lead at Any Level LLC as a diverse supplier. The firm joins the growing ranks of over 1,000 certified LGBTBEs.

"Recognition as a certified LGBT Business Enterprise is a cornerstone of our growth strategy," said Amy C. Waninger, Founder and CEO of Lead at Any Level LLC. "I'm looking forward to scaling the company's offerings, which include training and licensed intellectual property, to meet the needs of America's largest and most prestigious corporations."

Lead at Any Level LLC is now eligible to participate in the NGLCC's corporate partners' supplier diversity programs, can take advantage of the vast educational opportunities promoted by the NGLCC, and can work to foster business-to-business relationships with other LGBTBEs.
